

Kevin Turnbull Award

Last Updated Sunday, 13 September 2015 11:00

Club Secretary Kevin Turnbull has won the Berks & Bucks Peoples Choice Award - for outstanding contribution to football. Kevin has over 30 years of service to the game from player to coach to club official, including being a qualified referee (mentor & trainer). This service has covered two main clubs Aylesbury Saints and most recent Bucks CC. Kevin joins a list of other club volunteers having won awards over the last few years, a personal triumph that also shines on the club. Kevin would agree that apart from his own dedication the support of club colleagues has an important part in this success. Kevin picks up the award on Wed at an event in Madekski Stadium - picture and details to follow (below picture shows Kevin picking up a previous club award).

Well done Kevin!
